REFERENCE LETTER-BLUEBERRY TRAVEL LIMITED

Blueberry Travel Limited (“Blueberry”) has been a reliable supplier of air tickets, Car Hire and International Hotel Accommodation for over 3 years now. Their service has been outstanding, and their dedicated team have continued exceeding our expectations.

Over the years the relationship with the United Nations Economic Commission for Africa (UNECA)- Subregional Office for Southern Africa (SRO-SA) has been a partnership kind of relationship such that we would recommend anyone to deal with them, because we know that they will get good service delivery.
