TO WHOM IT MAY CONCERN.

This is to confirm that BLUEBERRY TRAVEL has been a reliable, strong, and long-standing partner with Qatar Airways in Tanzania. The key factor in our successful partnership is their highly trained staff and their ability to adapt to the ongoing changes in the Airline industry.

They have been working closely with Qatar Airways since in 2023 to date as one of our IATA appointed agents in Tanzania, and we have enjoyed a mutually rewarding business relationship with them since then.

This letter has been issued upon their request and without any liabilities on Qatar Airways.

Sincerely

Isaack Wambua
Country Manager-Tanzania.
